To our valued readers:

The first printing of *The Devil's Financial Dictionary* is missing pages 209-240. The printing machine must have been possessed. We have recalled these copies from bookstores, and exorcised the printing machine, but in the event that you have purchased one of these copies, please follow the following instructions:

- Contact the bookstore you purchased the book from, and ask to have your copy replaced.
- Please remind the bookstore that the corrected printing has a new ISBN 978-1-61039-699-8. Your defective copy has a different ISBN (978-1-61039-605-9). We changed the ISBNs to avoid marketplace confusion.
- Please note that the corrected edition will be available to ship on October 30<sup>th</sup>.

We apologize for any inconvenience. If you have further questions, please contact [publicaffairs@perseusbooks.com](mailto:publicaffairs@perseusbooks.com), and we will get back to you as soon as possible.

Thank you,
